Dear Sirs:

As you know we will be conducting Primary Elections on August 4, 2015 and the General Election on November 3, 2015 and in preparation for those elections I contacted Mr. Strabech with the Leflore County Schools regarding the East Elementary School Precinct. I asked him to provide us a large room that would accommodate 8 TSX Voting Machines, possibly the Cafeteria and he said that he couldn't.

The East Elementary is one of the larger Precincts in Leflore County and with this being a state-wide election we expect heavy voter turn out and feel that 8 machines will be needed to accommodate the voters. In state-wide and national elections we have always been allowed to use the Cafeteria until last year when Mr. Strabech said that he forgot to put the date on his calendar.

I am asking for your assistance in this matter since Mr. Strabech was not cooperative when I contacted him. If you could please contact Mr. Strabech and explain the situation I would appreciate it very much.

Respectfully,

Edward M. Course, Jr. - Chairman

Leflore County Election Commission
