Report Type: I

on May 29,2016 at approximately 1300 hours. During High Crime Detail, [REDACTED] that Jelani Barr needed to speak with me. [REDACTED] I went to the above stated location when I arrived I saw Barr walking south on Cotton street as I approached him I could clearly see he had his cell phone in hand I asked him if he was recording. I asked him what could I do for him. He asked me was the park closed and what was we doing? I stated that the Chief of Police knew exactly what we were doing. I advised him we were controlling the flow of traffic north and south on Cotton street for the safety of the public which would be using the park. Due to the shootings that have been occurring in the city. I advised him none of the parks were closed in the city. We then began discussing the supreme ruling in reference to civilian videoing police officers within the scope of their duties. He became irate when I told him about it. I told him I would sign papers on him and he became more boisterous. I advised him several times to go head on meaning leave the area. At that time he begin to walk away and he then stated i am going to do like Jamell in reference to Officer Calhound. Mr.Barr then stated dumb ass get your facts straight. At that point, I advised him he was under arrest for public profanity in the presence of two or more persons. Barr advised me there was no longer a public profanity Law in Greenwood he was arrested and transported to the county jail and his vehicle was towed.
