<sup>5</sup> Subject to a few exceptions, those farmers comprising "All Moving Farmers" constitute substantially all farmers represented by counsel in this matter.

Against UMB Bank, N.A. (“UMB”), StoneX Commodity Solutions LLC (“StoneX”) and Macquarie Commodities (USA) Inc. (“Macquarie”) with respect to their Assertions of Interest in Grain filed pursuant to the Court’s Section 557 Procedures Order, (Dkt.# 1070),<sup>6</sup> to the extent those Assertion of Interest in Grain are based on warehouse receipts on the grounds that such warehouse receipts are invalid as a matter of law. In support of their Motion, all Moving Farmers state the following:

1. This Court has jurisdiction over the subject matter herein and the parties hereto pursuant to 28 U.S.C. §1334, 11 U.S.C. §§105, 701, 702 and 1112 of the *Federal Rules of Bankruptcy Procedure*, along with the other related statutes and rules. This is a core proceeding as defined by 28 U.S.C. §157(b)(2)(A).

2. StoneX, Macquarie, and UMB are not holders of valid warehouse receipts and, therefore, do not own the soybeans covered by the warehouse receipts.

3. Under Mississippi law, the Business Debtors<sup>7</sup> are prohibited from issuing any warehouse receipts in cases where there is not actual delivery of soybeans into the warehouse for which the warehouse receipts are issued. *See* Miss. Code Ann. §75-44-61 (Rev. 2016). Regulations issued by the Mississippi Department of Agriculture and Commerce are in accord. *See* Subpart 2 – Administrative Rules: Chapter 10 Grain Warehouses.

---

<sup>66</sup> Farm Group I raised this issue in its Omnibus Response brief filed in connection with the Section 557 briefing. Dkt.#1639. The Moving Farmers, who have filed Assertions of Interest, are parties in interest with standing to object to the Assertion of Interest of StoneX, Macquarie and UMB in the §557 Procedures. *See In re Xenon Anesthesia of Tex., PLLC*, 2016 Bankr. LEXIS 2747, at \*4 (Bankr. S.D. Tex. July 27, 2016)( “[a]n entity that has filed a proof of claim is a party in interest, with standing to object to claims, unless the proof of claim is withdrawn.”).

<sup>7</sup>Express Grain Terminals, LLC, Express Biodiesel, LLC, and Express Processing, LLC are referred to collectively as “Business Debtors.”

4. StoneX, Macquarie and UMB, by their own admissions, did not deliver any soybeans to the Business Debtors. Thus, the Business Debtors had no authority to issue any warehouse receipts to these entities and their warehouse receipts are invalid as a matter of law.

5. There is no genuine issue of material fact as to the validity of these warehouse receipts and UMB, StoneX and Macquarie do not have a security interest in the Business Debtors' grain as a result of these invalid warehouse receipts.

6. Therefore, all Moving Farmers are entitled to judgment as a matter of law.

7. All Moving Farmers' arguments are more fully detailed in their Memorandum Brief in Support of Joint Motion for Summary Judgment filed simultaneously with this Motion.

8. In support of this Motion, all Moving Farmers submit the following exhibits:

Exhibit 1 All warehouse receipts issued by the Business Debtors to UMB

Exhibit 2 All warehouse receipts issued by the Business Debtors to StoneX

Exhibit 3 All warehouse receipts issued by the Business Debtors to Macquarie

**ITEMIZATION OF FACTS RELIED UPON AND  
NOT GENUINELY DISPUTED**

9. Pursuant to Rule 7056-1(1)(A) of the Uniform Local Rules of the United States Bankruptcy Courts for the Northern and Southern Districts of Mississippi, the Moving Farmers rely upon the following facts not genuinely disputed:

A. StoneX purchased, but did not deliver, any soybeans to the Business Debtors for which the Business Debtors issued warehouse receipts:

StoneX provides cash flow to Express Grain Terminals by way of a series of repurchase agreements, whereby StoneX purchases and takes title to specified quantities of soybean bushels stored in Express Grain's grain terminals, and then resells the bushels and surrenders title to the soybeans back to Express Grain at a specified date and price only after Express Grain has paid cash in full pursuant to a contract.

(Emphasis added.)

StoneX's Official Form for Assertion of Interest in Grain,

Dkt. #1437, p. 27.

- B. Macquarie did not deliver any soybeans to the Business Debtors. Instead, it entered a series of "grain purchase contracts" pursuant to which it allegedly "purchased" soybeans from the Business Debtors:

On January 15, 2021, Macquarie entered into a grain purchase contract (the "First Grain Purchase Contract"), to purchase 1000 bushels, of No. 2 Yellow soybeans...).

On September 28, 2021... the Debtor and Macquarie entered into a new grain purchase contract (the "Fourth Grain Purchase Contract") reflecting Macquarie's purchase of 750,000 bushels of No. 2 soybeans from the Debtor....

Addendum to Macquarie Commodities (USA), Inc.'s Assertion of Interest in Grain, Dkt. #1428-1, p. 4.

- C. UMB did not deliver or purchase any soybeans from Business Debtors. Instead, Business Debtors issued warehouse receipts to UMB for soybeans without any so-called purchase or sale contract:

The Business Debtors issued the following warehouse receipts to UMB that remain outstanding:

- a. A warehouse receipt ending in numbers 1046 for 300,000 bushels of soybeans;
- b. A warehouse receipt ending in numbers 3138 for 385,000 bushels of soybeans; and
- c. A warehouse receipt ending in numbers 3163 for 600,000 bushels of soybeans.

UMB Bank, N.A.'s Attachment to Official Form for Assertion of Interest in Grain, Dkt. #14-17-1, p. 2.

- D. According to the 557 Report Supplement, the following warehouse receipts were issued for which no grain was delivered to the Business Debtors:

<u>HOLDER</u>	<u>BUSHEL</u>	<u>DATE</u>	<u>LOCATION</u>
StoneX	300,000	11/16/18	Sidon
StoneX	500,000	5/9/19	Sidon
StoneX	350,000	6/1/20	Sidon
StoneX	200,000	6/1/20	Minter City
UMB Bank	385,000	10/22/20	Sidon
StoneX	450,000	12/1/20	Greenwood
Macquarie	1,000,000	1/15/21	Sidon <sup>8</sup>
UMB Bank	300,000	1/21/21	Minter City
StoneX	200,000	6/28/21	Greenwood
Macquarie	800,000	7/16/21	Sidon <sup>9</sup>
Macquarie	100,000	7/16/21	Sidon <sup>10</sup>
StoneX	195,000	7/21/21	Greenwood
UMB Bank	600,000	8/31/21	Minter City
Macquarie	50,000	9/21/21	Sidon <sup>11</sup>
Macquarie	650,000	9/28/21	Sidon
Macquarie	100,000	9/28/21	Sidon

Section 557 Grain Report, Supplement, Dkt. # 1204.

- E. None of the warehouse receipts issued to StoneX, Macquarie or UMB state on their face that the Business Debtors own the soybeans represented by the warehouse receipts.

Section 557 Grain Report, Supplement, Dkt. # 1204.

---

<sup>8</sup> Returned to the Business Debtors on 7/16/21

<sup>9</sup> Returned to the Business Debtors on 9/28/21

<sup>10</sup> Returned to the Business Debtors on 9/21/21

<sup>11</sup> Returned to the Business Debtors on 9/28/21

F. Each warehouse receipt indicates a “load time” at the bottom left-hand corner of the receipt, indicating that soybeans were delivered to the Business Debtors and loaded in the warehouse, which did not happen. Section 557 Grain Report, Supplement, Dkt. # 1204.

WHEREFORE, PREMISES CONSIDERED, all Moving Farmers respectfully request that this Court enter an order granting their Joint Motion for Summary Judgment and finding, as a matter of law, that the warehouse receipts issued by the Business Debtors to UMB, StoneX, and Macquarie are invalid under Mississippi law and do not afford UMB, StoneX, or Macquarie any interest in grain held by the Business Debtors.

This the 31<sup>st</sup> day of January, 2022.

Respectfully submitted,

FARM GROUP
